Green Room Golf Performance Centre

TEACHING/ASSOCIATE PROFESSIONAL - 2 POSITIONS AVAILABLE

Green Room Golf Performance Centers is seeking the services and talents of motivated and ambitious Teaching/Associate. Located in North Vancouver, the Green Room offers highly specialized custom club-fitting / club-building, top-notch instruction and coaching using state of the art technology including 3D Motion Capture, Trackman, Science & Motion PuttLab, JC Video, and IST hi-def golf simulator.

Remuneration will commence at a base salary of between \$2000 to \$2500 (based on experience) with lesson and bonus incentives based on client workload.

The successful candidates will be in a position to advance into a more senior position and annual position based on performance.

The qualified candidates will have the following responsibilities:

- Instruction & Custom Club-fitting
- Grow & manage a Client Base to high utilization rate
- Club Assembly and repair
- Special and Corporate Events
- Share of front desk duties
